

## **JOANNE HARRISON**

### **Written Profile re nomination for ARDL Committee**

I act on behalf of registrants involved in regulatory proceedings, including the GDC, GMC, GCC and NCTL. I was also seconded to the PSA on several occasions to review the undue leniency of final decisions/referrals to the High Court. I also deal with clinical negligence and healthcare advisory matters. I have been a committee member of ARDL since 2012 and assisted in the development of 'Junior ARDL', holding a number of networking events and seminars. I would very much welcome the opportunity to continue to support the Committee and to promote the Association to junior and prospective members of the profession.
