

## **NICOLE RIDGWELL**

### **Written Profile re nomination for ARDL Committee**

Working within the sector for over 8 years, I have enjoyed a diverse caseload (CQC, Ofsted, NMC, HCPC, DBS, inquests, CICA). I have also managed a legal team and advocated for registrants.

Throughout, I have encouraged understanding of the sector through talks, conferences, seminars and published articles, before legal and non-legal audiences alike. I am a co-author of the Legal Action Group's 'Professional discipline and healthcare regulators: a legal handbook'.

Being on ARDL's Committee would allow me to share my experience, my enthusiasm, and my motivation to continue to promote this ever-changing sector amongst practitioners, the legal profession, and beyond.
